PROJECT RISK MANAGEMENT

Date & Venue:

14 March-2017 Royal Palm Lahore

16 March-2017 Movenpick Hotel Karachi

Timings: 9:00 am to 5:30 pm

Course Fee: PKR 35,000/- Inclusive of GST

Introduction

Aligned with the PMI Risk Management Professional (PMIRMP®) certification, this course provides the skills to identify and measure risks in project development and implementation. You learn to quantify risks and create risk response strategies to deliver projects that meet stakeholder expectations.

Course Objective

Upon completion of this course, participants will be able to:

- Describe and understand all Risk Management defined processes, as outlined in the PMI® PMBOK® Guide Fifth Edition
- Use internationally-recognized best practices for managing project and operations risks.
- Apply risk management techniques to determine the true cost and schedule for projects and operations
- Demonstrate the impact of successful Risk Management to the organization
- Avoid common risk management pitfalls
- Describe Risk Management principles and techniques and how they apply to the day-to-day management of projects and operations
- Have a practical set of self-study techniques and bibliography of reference material
- Use common risk management terminology
- Be more focused and proactive about preventing problems, rather than just dealing with them as they

Course Outline

- Introduction to Risk Management
- Case Study
- Risk Management Framework
- Principles and Concepts
- Introduction to Project Risk Management Processes
- Plan Risk Management
- Identify Risks
- Perform Qualitative Risk Analysis
- Perform Quantitative Risk Analysis
- Plan Risk Responses
- Control Risks

Who should attend?

- Board members who need to understand the role of a Board in risk management
- Executive directors and senior managers who are responsible for the implementation of risk management
- Risk officers and other professional staff who are responsible for risk management
- Internal audit staff
- Supervisory and other Enterprise
- Risk Management staff
