Course Overview

Issues of federal and provincial taxes require close analysis in the context of virtually all business transactions, even in an era when transactions primarily motivated by tax considerations have diminished. This course is specially designed to broaden tax horizons and introduce the professional responsibilities and ethical dilemmas that face tax professional in today's challenging and increasingly complex tax environment. The course provides in-depth knowl-

edge of key different area of income tax with special emphasis on withholding taxes of income tax and sales tax (Federal and Provincial). Numerous examples will be used to illustrate different topics.

In collaboration with a local institute, we have trained large numbers of employees of prestigious organization such as; MAERSK, PAF, SSGC, KESC, BP Pakistan, HUBCO, Zorlu Energy, TNB Liberty Power, ICI Pakistan, BOC

Pakistan, Shell Pakistan, WAPDA, University of Karachi, Agha University Hospital, Hamdard University, Pakistan Tobacco Company, Makro, PEMRA, Philips Pakistan, Mitsubishi Corporation, TRG, State Bank of Pakistan, State Life Insurance, NAFA Fund, Arif Habib Ltd., MCB Bank Ltd, IGI Investment Bank, Dubai Islamic Bank, First Women Bank, Pemcon, Shield Corporation, Castrol Pakistan, SGS Pakistan, Askari Cement Ltd, Orient Advertising, etc
